※The soup is very hot. Adults should assist young children.  
Be careful not to burn yourself.  
※Corn cream soup includes some ingredients which may cause allergies.  
●Milk component ●Flour ●Soybean ●Chicken

11. DIGITAL RECORD CERTIFICATE/RESULTS

\* Issuance of Digital Record Certificate  
A Digital Record Certificate will be issued for all participants by downloading it themselves from the official website, available on February 4th, Wednesday, and after.

12. WORLDLOPPET PASSPORTS

Worldloppet is the international federation of long-distance cross-country skiing races. The Sapporo International Ski Marathon belonged to Worldloppet in 1986 as a representative of Japan. Now, it consists of 20 countries and their own races. When you finish 10 races among 20 races, you are certified as a "Worldloppet Master". Each race sells a "Passport" which is common among Worldloppet races. Each race organizer has their unique stamp and they stamp the Passport to prove you are a finisher.  
Details are here. <https://www.sapporo-sport.jp/ski/worldloppet/>

13. FOR THE SAFETY OF THE RACE

- 【Time Limit】
- \* 50kmRace = The time limits are as follows:  
Participants must pass the 20 km point within 2 hours 30 minutes (150 minutes) after the start.  
Participants must pass the 30 km point within 3 hours 30 minutes (210 minutes) after the start.  
Participants must finish the race within 5 hours (300 minutes) after the start.
  - \* 25kmRace = The time limits are as follows:  
Participants must pass the 10 km point within 1 hours 30 minutes (90 minutes) after the start.  
Participants must finish the race within 3 hours 30 minutes (210 minutes) after the start.
  - \* 10kmRace = The time limits are as follows:  
Participants must pass the 5 km point within 1 hours 30 minutes (90 minutes) after the start.  
Participants must finish the race within 3 hours (180 minutes) after the start.

Be sure to perform in a good manner to prevent any trouble upon overtaking

When you overtake a skier, you should call the skier in front of you and ask him/her beforehand to move to the side in order to avoid accidental body contacts.
